Key Speaker:

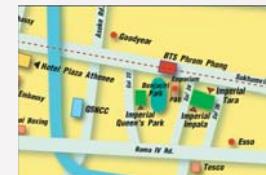

Dr. Steven L. Miller

Senior Vice President & Co-Founder of Scientific Learning Corporation

Dr. Miller, a founder of Scientific Learning Corporation, is a neuropsychologist with expertise in the assessment and treatment of developmental language and reading impairments. He joined the company after serving as a Research Associate at Rutgers University and has extensive experience in organizing clinical studies and conducting longitudinal studies of children and adults who have language and reading impairments. His work has resulted in publications and awards, and he has a bachelor's degree in psychology from Bloomsburg University, a master's degree in neuroscience from the University of Hartford, and a Ph.D. in psychology from the University of North Carolina, Greensboro. Dr Miller also received additional training in the neuropsychology of reading at the Bowman Gray School of Medicine, Wake Forest University.

Imperial Queen's Park Hotel, Bangkok

Imperial Queen's Park Hotel is Bangkok's only hotel on and with direct access to a park. Best location with superior facilities for business and leisure travelers. World-wide acclaim as the most complete and self-contained conference/convention center of Bangkok with 1,300 luxurious guest rooms and more than 15 meeting rooms. Relax and unwind at the Mandara Spa and dine in one of many restaurants with a wide variety of cuisines to suit all tastes. The hotel is also situated next to the famous Emporium shopping center and **Phrom Phong BTS Station**, which is accessible through the park. www.imperialhotels.com/queenspark/
